Hi Leila,

I hope you are well!! I'm sure you've been swamped. A quick check: IPAA is having its annual membership meeting in New Orleans on **Wed., Nov. 13**. I doubt the Secretary could make it for a quick speech (but we'd like to invite him to do so). Or, a **Skype** or **video message** anytime on that day would be great, too. We've done the Skype thing with a few officials before. It would be only for 15 minutes or half-hour – or however much he wants/can afford. Open to anything.

I know it's getting late, but just thought I'd check in on possibilities!

Again, hope you are doing great!

Jeff
